  @PenFinancial

With over 15 years of experience in the financial services industry, I never get tired of seeing the joy on a member's face when I am able to help them reach their financial goals. I believe in getting to know our members on a personal level, finding out what is important to them and working together to

develop a path that will enable them to achieve their financial goals and dreams.

I am committed to continuous learning to be able to provide you with the most accurate, up to date information to help you make the proper decisions when it comes to your credit and investment needs. I have completed my Canadian Securities Course, Wealth Management Essentials courses and most recently achieved my Personal Financial Planner designation in addition to obtaining a certificate in Advanced Investment Advice.

I look forward to the opportunity to meet with you to discuss all of your banking, credit and investment needs. At PenFinancial Credit Union, we believe in providing strong member service and giving you the tools and advice you need to achieve the things that matter the most to you.
