Knowing how to plan for the future can be intimidating, especially in uncertain times. It is important to have dreams, but it is equally as important to implement a strategy to realize those dreams. I can help you put actions in place to turn those dreams into reality. Whether you're purchasing your first home, looking for retirement

advice, or need assistance to eliminate debt, I am able to offer the professional advice that will help you achieve your financial goals.

With over 15 years of experience in a service role, I value and find every opportunity to give the highest level of member service. I take pride in continuous education and aim to constantly acquire new knowledge and skills to provide the best service to our membership. I earned my Bachelor of Arts Degree from Brock University, and currently hold the Personal Financial Planner (PFP) designation. I also currently hold a Certificate in Financial Services Advice. I

have also attended numerous courses through Professional Credit Granting School. I am a graduate of the PenFinancial Leadership Development Program, and am an alumni from the 2014-2015 cohort of Leadership Niagara.

I love living in Niagara and believe in being involved in the community. I am a member of the Young Professionals Networking Group through the Welland/Pelham Chamber of Commerce, and am involved in fundraising efforts with the local Humane Society, as well as all of PenFinancial's community support initiatives.

As a PenFinancial Branch Manager and a member of your community, I look forward to the opportunity to help you realize your financial dreams and live well.
