  @PenFinancial

Passion for helping people set and obtain their financial goals best defines what drives me. I once had a dream of owning my own home and it was a Credit Union that helped me get there. With over 20 years in the financial industry, I have developed the ability to help members create dreams and reach them. We all have different

priorities at different stages of life; I am very fortunate to be able to provide financial guidance at each stage along the way.

Providing member service in various roles has given me the ability and experience to identify with many of life's situations. Numerous professional development courses ranging from Investment Funds in Canada, Canadian Securities Course, along with Consumer Lending and Retail Mortgages have given me the tools required to not only guide members, but help them truly understand their unique financial path.

It is also important to me to be involved in my community, not only have I helped build financial awareness, I have also contributed to building on two site builds locally for Habitat For Humanity. As an acting director in the Fort Erie Chamber of Commerce, you will often see me out and about at various functions in the Fort Erie community promoting our Credit Union and building business relations. I look forward to learning about your financial dreams and goals, and together, making them come true.
