  @PenFinancial

Assessing your current financial situation and working with you to clarify your financial goals is my expertise. For over 35 years, I have been a professional in the financial services sector and I currently hold my Financial

Planner Certificate and am working towards achieving my Personal Financial Planning designation.

From providing tips on tax, retirement and estate planning to helping you design a mortgage that fits your life, I take the time to ensure that every member has the tools and advice they need to make educated decisions. If French Canadian is your language preference, you'll be happy to know that I am bilingual and work with

many Niagara residents who prefer to converse in the French language.

In my spare time, you'll find me spending time with my family and friends, enjoying a hockey game at a local Niagara arena and enjoying the splendour of the Niagara Region's scenery.
