

Welcome to PenFinancial Credit Union

  @PenFinancial

Being in my role allows me an amazing opportunity to help people achieve their financial goals, each and every day. What I especially love about this challenge, is that every member has a different story and different dreams. It's my job to take an individualized approach

with every member that I meet, to ensure their financial dreams become a reality.

My passion for helping members came at an early age, when I was working at the local Credit Union for my high school co-op. I've been fortunate enough to spend over 12 years in the credit union system which has allowed me to learn about several different aspects of our business. Working at an organization that encourages continuing education has enabled me to pursue several different financial courses and work towards my

Personal Financial Planning designation (PFP).

I'm a Thorold girl, born and bred, and in my spare time there's nothing better than taking my dogs on a nice, long walk along the Welland canal or grabbing a cup of coffee accompanied with a good book. That being said, my favourite thing of all is spending time at home with my family.

I'd be honoured to be able to learn more about your financial situation and work together to help achieve your goals. Connect with me today.
