  @PenFinancial

A passion for helping people achieve their financial goals is what keeps me excited about work every day. I measure my success by how many people we can help. This starts by getting to know what is important to our members, respecting their beliefs and working with

them to build a plan for success.

The economy is ever changing and I'm devoted to staying on top of market conditions to help provide you with the right advice. Continuous learning is an integral part of increasing that knowledge base. I currently hold the Personal Financial Planner (PFP®) designation and have completed the Investment Funds in Canada, Canadian Securities Course, Conduct and Practices Handbook and Wealth Management Essentials through the Canadian Securities

Institute.

As a near lifelong resident of Niagara, I care deeply about giving back to the community we live, work and play in. I'm actively involved locally as a baseball umpire, umpire supervisor, clinic instructor and T-ball coach. I'm also very proud to participate in PenFinancial's "Skates for Kids" and "Financial Literacy" programs.

I'm dedicated to helping our members and their families realize their financial goals. I look forward to helping you with yours.
