  @PenFinancial

Your priorities are my priorities and it's my responsibility to help you achieve your financial goals and dreams. Nothing makes me happier than seeing people succeed and thrive!

While working in customer service for over 20 years, with 10 of those years being in financial services, I've been able to gain a wide perspective on what service

means to customers and members. Service means doing what's best for the member, each and every time. These are traits that I enjoy sharing with my branch team to ensure that members are provided with a consistent (and awesome!) experience every time they come into our branch. You can also take comfort knowing that I am continuously expanding my knowledge base through a variety of financial courses.

Community is everything. To be truly immersed in the community, I believe you have to actively engage with the people and happenings there. I am a proud supporter of Big Brothers Big Sisters of South Niagara and have participated

in a variety of community events to raise funds for worthy causes and organizations. I am actively completing the PFP® and have my Certificate in Financial Service Advice. I am also an active member of the Fonthill Rotary Club and Welland/Pelham Chamber of Commerce, so if you see me at a Business After 5, please introduce yourself.

Outside of the office, you'll probably find me hanging out with my awesome family (husband and two children). With that being said, I know that life is about more than finances. By working together to build a sound and unique financial path; it will allow you to focus more time and energy on the things that matter most.
