  @PenFinancial

When it comes to your financial and life goals, the one thing that makes them unique is that they are yours alone. For over 30 years I have provided personalized, genuine advice to members in order to nurture their financial lives. I take great pride in being engaged and aware of the investment

industry and apply those same traits when working with members. I want my clients to have the peace of mind knowing that the financial solutions we have created together will help them meet their goals – whether they are funding a child’s education, planning to purchase a cottage or planning for retirement.

Continuing education and professional development is a necessity of this ever-changing industry. This is why I’m continually working to improve my skillset. I currently hold the following designations: Certified Financial Planner (CFP) and Personal Financial Planner

(PFP).

Investing can be complicated, but it doesn’t have to be. PenFinancial is a Niagara-based credit union that’s committed to serving our members with respect, passion and knowledge. We are not driven by commissions, but we are driven by your financial success. Finances shouldn’t be a burden; allow me to work with you to ensure that you have the financial freedom you deserve. After all, at PenFinancial, we’re firm believers in “Banking Made Lighter.”
