  @PenFinancial

“A great leader must serve the best interests of the people first...” and I am proud to work for a company like PenFinancial Credit Union which shares my commitment to always put the needs of our members first, nurture member relationships based on mutual respect, knowledge and trust, and build strong communities.

With over a decade in the financial services industry, I believe in bringing a truly holistic approach to banking. I am dedicated to help members achieve their short and long term goals by working together to create a strategy that is unique and designed specifically to fit their financial picture.

Continuous education is necessary in this ever changing industry . That is why I believe in educating our members and providing them with the tools they need to make educated financial decisions. By teaching our members how to be financially responsible we are able to lead them to financially successful futures. My commitment to members

is my professional development and continuing education so that we are all able to “Grow Together”. I graduated from Brock University with my Honors B.A. and I have completed my Investment Funds in Canada (IFIC) course with the Canadian Securities Institute; also I am currently working on my Personal Financial Planning (PFP) designation.

As a PenFinancial ambassador and a member of the Niagara community, I am passionate about lending my time in getting out and supporting our many local events and charities. I welcome you to come in and discuss how PenFinancial can ensure that your dreams and financial goals are achieved.
