  @PenFinancial

When it comes to telling your financial story, everyone is different. Whether you are moving out on your own for the first time, buying a home or planning for retirement, each goal is going to be specific to you. My role as an advisor at PenFi is to get to know each and every member and their personal

and financial stories. Working with you to create a tailored Financial Plan, and assist you every step of the way will ensure a happy ending for each chapter in your life.

After attending Brock University, I began my career in the Financial Industry. With over 7 years of experience in Investments and Planning, I take pride in my knowledge base and my passion for finding creative solutions for each member.

Outside of the office, I show my passion for the Financial Industry by volunteering with various

organizations such as Family and Children's Services, DSBN, and Strive Niagara to assist with their Financial Literacy Programs. I have a great passion for music, playing various instruments, and filling in as church organist. My beautiful daughter brings an enjoyment to each and every day, and gives me the motivation to continue to strive for a better world for the next generation.

Feel free to connect with me anytime, and I would be happy to help you map out your financial storybook.
