  @PenFinancial

Supporting members through all of life's adventures is the most rewarding part of working in the financial service industry. I have spent the last several years gaining knowledge and experience within the industry while helping members of our community achieve their goals. To have a satisfied

member, it is important to understand their goals to suggest the right products while keeping their best interest in mind.

I graduated from Brock University with a Bachelor of Arts degree, majoring in French and Applied Linguistics. Here at PenFinancial, continuous education is a high priority and I am proud to be working towards my Personal Financial Planning (PFP) designation. By continuing to educate myself, I am sure that the advice I am providing is never compromised in this ever changing environment.

I am proud to have grown up, completed all of my education and continue to live in Niagara. Working for Niagara's Truly Local Credit Union means I am able to give back to the community that's given so much.

Whether you are looking to open your first bank account, save for your children's education or purchase a home, as a Financial Service Specialist and a member of your community, I welcome the opportunity learn your goals.
