With the economy in an ever-changing state, it is vital to stay on top of the changes that will affect you and your money. Here at Penfinancial we believe an investment in knowledge pays the best interest; this is why we are committed to increasing our knowledge through continuous education to better serve our members. I obtained my education here in

Niagara from Brock University for Business Administration and Niagara College for Business Administration with focus in Accounting. I am also currently enrolled in the Personal Financial Planning (PFP) program with the Canadian Securities Institute. Through living in Niagara all my life, I'm proud to be a part of this community, since after all it is home. I believe in making our community a better place and that is why I participate in our financial literacy program teaching youth how to manage money and to start using good saving habits.

Do something today that the future you will thank you for. Come down and see me to start planning for your better tomorrow.
