  @PenFinancial

Money is a part of everyone's life and it needs to be managed effectively. I am happy when I'm able to help our members manage their finances and achieve their financial goals.

To continue giving good advice to our members, it is important for me to continually learn and develop my skills. After attending Niagara College, I completed several financial courses and am on the path to complete my Personal Financial Planner (PFP) designation. I believe in strengthening

our community and take part in various volunteer activities such as Hospice Niagara, and BARK Adoption. I look forward to meeting with you and discussing how I can help you realize your financial goals.
